

AT-2401-DP | AT-2401-DP Antenna

5GHz dual polarized high gain 24dBi directional antenna

Product Classification

Regional Availability	Asia Australia/New Zealand EMEA Latin America North America
Product Type	Antenna
Product Brand	RUCKUS®

General Specifications

Application	Long range backhaul /PtP/PtMP Non-Root
Antenna Gain	24.5 dBi/23.5 dBi
Polarization	Vertical & Horizontal
Bandwidth H/V @ 3 dB	7-9/7-9 degrees
Connector Location	Two N-type, two 1 m RF cables included
IP Rating	IP-67
Mounting	Wall/Pole Mount, mounting kit included
Wi-Fi Band	5 GHz

Dimensions

System Dimensions	370 mm × 370 mm × 40 mm
--------------------------	-------------------------

Environmental Specifications

Operating Temperature	-40 °C to +65 °C (-40 °F to +149 °F)
------------------------------	--------------------------------------

Packaging and Weights

Weight, net	1800 g 3.968 lb
